# Form Login

```
if (isset($_POST['submit'])) {  
    $email = $_POST['email'];  
    // $password = hash(sha256,PASSWORD_BCRYPT,  
    $_POST['password']);  
    $password = ($_POST['password']);  
    if(!empty($email) || !empty($password)){  
        $seq=mysqli_query($conn,"select * from users  
where email='$email'");  
        $data=mysqli_fetch_array($seq);  
        $jml=mysqli_num_rows($seq);  
        if($jml>0){  
            if(password_verify($password, $data['password']))  
            {  
                $_SESSION['username']=$data['username'];  
                $_SESSION['user_authentication']="valid";  
                if ($data['level']=="Admin") {  
                    $_SESSION['level'] = "Admin";  
                    header("location:index.php");}  
                elseif ($data['level']=="Peminjam") {  
                    $_SESSION['level'] = "Peminjam";  
                    header("location:index.php");}  
            }else{  
                echo "<script>alert('Password salah!');  
window.location.href='login.php';</script>";  
            }  
            }else{  
                echo "<script>alert('Email salah!');  
window.location.href='login.php';</script>";  
            }  
        }  
    }  
}
```

The image shows a login form titled "Login" centered on a white background. The background of the entire slide is a dark blue with a glowing green circuit pattern. The form consists of two rounded rectangular input fields, one labeled "Email" and one labeled "Password", both with light gray borders. Below these fields is a large, rounded rectangular button with a solid purple color and the word "Login" in white text.
